ORDER

**AND NOW this _____ day of _____, 2004, upon
consideration of Defendants' Motion For Reconsideration Of This Court's March
23, 2004 Order Granting In Part Plaintiffs' Motion To Compel Production Of
Psychological And Psychiatric Records And Evaluations of Defendants Father Eric
Ensey and Father Carlos Urrutigoity, it is hereby Ordered that said Motion is
DENIED.**

**It is further Ordered that this issue involves a controlling question of law as
to which there is substantial ground for difference of opinion and that an immediate
appeal from this Order may materially advance the ultimate termination of the
litigation. Appeal after final judgment in this case is an inadequate remedy as this
matter involves the assertion of a privilege which would be moot if Defendants
comply with this Court's March 23, 2004 production Order.**

BY THE COURT,

JONES, J.
